

Dear Judge Dien

What are my intentions?

- 1) my intentions are to place ~~the~~ money ~~into~~ Into an Investment account when awarded
- 2) I plan on having ~~an~~ trust set up for my benefit.
- 3) I plan on wiring ^{electronically} the money from The defendants account to my (trust)

~~I~~ ~~no~~ no one is allowed to dispute the Claim in court if something was to happen to me.

In one's mind, like my own, no family member can dispute the claim because of my past mental medical records expressed to the court.

Thank you

Christopher Devine
